

Public Library Room 3A, Wednesday, February 19, 2020

Attendance: Celeste Treece, Kevin Shaw, Zane Lesko, Barb Wolf, Jim Farber, Andy Shenk

Celeste: Move Forward is pushing out advertising this week: radio/TV/web. There's some opposition to Issue 7 at the polling place, but also a lot of Democrats passing out lit.

Barb: There were some people opposed at a recent Democratic Party meeting.

Celeste: In North College Hill and Springfield Township, people cared most about the public transportation. Some people talked about Clovernook losing a bus stop.

People were relieved to hear that it's not a property tax.

We're having a town hall in Forest Park next week, which will be an opportunity for people to come and ask questions.

In Mt Healthy and a few other school districts, they have problems with Metro and would like more funding.

We had a logistics issues with the bus captain. I'm going to create a separate doodle for BBC members to choose times. Members can send a picture from riding the bus to confirm they did their shift.

Pass out literature and ask if they would like to learn more about the issue when you give them the comment card.

Jim: I will try to do at least one shift and see if I can do more.
